HOUSE BILL No. 1094

DIGEST OF HB 1094 (Updated February 3, 2009 11:40 am - DI 92)

Citations Affected: IC 6-1.1; noncode.

Synopsis: Valuation date for assessments. Requires that real property be valued for property tax assessment purposes as of the assessment date. Provides that a notice of assessment or reassessment, statement concerning estimated tax liabilities, and property tax bill must include certain information concerning assessment appeals including a notice that an appeal requires evidence relevant to the true tax value of the taxpayer's property as of the assessment date that is the basis for the estimated taxes payable on that property. Voids rules and guidelines that require assessing officials to value real property on a date that is different from the assessment date to which the value applies. Provides an exemption to the deadlines specified by law for the adoption of certain rules and certain other actions in order to bring the rules and actions into conformity with the change in valuation date.

Effective: Upon passage; July 1, 2009.
